

Food, fun & festivities

With new locations and a growing number of producers attending, visiting your local Hampshire Farmers' Market has never been easier and more enjoyable. Every weekend you can discover the delights of wonderful food and drink produced right here, as well as gifts, crafts and plants for your garden.

From beer to bread, all of our producers must source at least 20 per cent of their ingredients from Hampshire or within a 20-mile radius. Plus any produce grown, reared or raised must spend at least 50 per cent of its time with the producer. Traceability is important to all of us and visitors to our markets can be assured everything is fully traceable.

There's always something to sample at your farmers' market too. The award-winning Broughton Water Buffalo are often cooking up burgers and Bowtells create delicious breakfast rolls, Catch A Fire Pizza serves up a slice or two and there's always tea and coffee to quench your thirst after a busy morning's shopping.

We're a community interest, non-profit organisation that is committed to helping the local community benefit from Hampshire's rural economy.

Events & festivals

The markets aren't the only place you can find our producers through the year. We celebrate British Food Fortnight in September, stage Applefest in September, plus you will find us at the Watercress Festival in May, the Romsey Show in September and the New Forest & Hampshire County Show in July. We often have our cooking demonstration unit featuring top local chefs at key markets and events through the year. Follow us on social media to keep up to date with the latest news.
